Top-Swivel Stem Mount

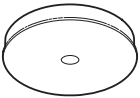

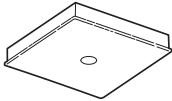

INSTALLATION INSTRUCTIONS

SSC-X3 + X1 OFF-GRID (XTP)

PRUDENTIAL LTG.

PRULITE.COM 213.746.0360

FIXTURE ASSEMBLY:

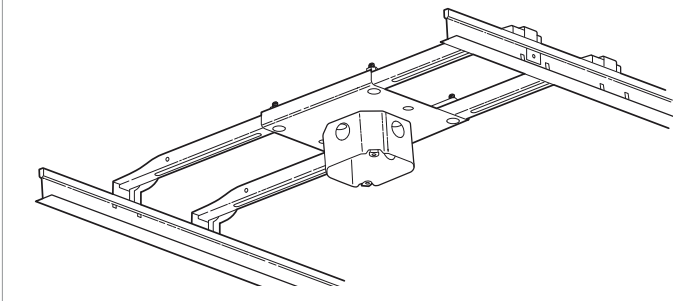

1. Attach mounting strap to electrical box. For square fixture use alignment plate (included). For round fixture fasten mounting strap directly to electrical box using (2x) 8-32 x 7/8" TH MS Phil screws.
2. Screw 1/4" I.P.S. ball swivel to one end of the threaded I.P.S. stem. Secure in place with set screw. Insert other end of stem through canopy hole and fasten to access plate with 1/4" IPS lock nuts and washer (provided).
3. Run electrical wires through stem and raise fixture to assembly to ceiling. Insert ball swivel into mounting strap. (**NOTE:** electrical wires provided by others).
4. Make all necessary wiring connections. Hand press canopy onto mounting strap.

NOTE: Mounting strap will accommodate a 3" & 4" octagonal box, or a 4" square box with plaster ring.

STC-XTP MOUNT:

- Mount using t-bar box hanger bracket (by others).
- Follow same installation steps as above.

WARNING: Ground fixture in accordance with local and national electrical codes. Failure to do so may result in serious personal injury. Fixture installations should ONLY be done by a qualified licensed electrical professional.
