

# Stream™ Dot Square | Pendant

PRUDENTIAL LTG.

PRULITE.COM 213.746.0360

Soft glow with a modern edge.

In keeping with Stream's signature subtlety, the Square Dot Pendant adds a simple, geometric element of design. Projecting a soft, pumpkin shaped distribution of light, it's an accent piece that ties in with the entire Stream Series or stands on its own. Thick (frosted or clear) or thin Top Glows offer a range of uplight options including seven brightly colored acrylics.

70°	93	93	96	93	93
80°	5	6	6	5	5
90°	0	0	0	0	0

## LUMEN MAINTENANCE

Designed to last with cool running mid-power LEDs projected to maintain 90% (L90) of their initial output for 100,000 hours (at HO), and L70 exceeding 150,000 hours.

## LED SYSTEM

LED modules and drivers are field replaceable.

## PROG

(OPTIONAL)

Specify desired lumens or watts per fixture. Round Dot min: 5 watts, max: 35 watts. Square Dot min: 5 watts, max: 34 watts.

## LABELS

ETL damp labeled and I.B.E.W. manufactured.

## ELECTRICAL

Must specify LED dimming controls. LED fixtures have constant current driver(s) with less than 20% THD when loaded to a minimum of 60%. Drivers sink a maximum of 6mA per driver. DM01 LED drivers are 0-10V dimmable and are compatible with most 0-10V wall slide dimmers and direct 0-10V analog signal dimmers.

## CONSTRUCTION

### Housing

Extruded aluminum >25% PC recycled, 100% recyclable, PAF: Paint after fab and aluminum trim

## WARRANTY

Single-source, 5 year limited warranty covers standard components and construction
