# — **Wet BionicPro3** —

## RECESSED LINEAR

Continuous just got even more continuous

### 01

#### Seamless, Recessed

Create a clean, minimal look with no door frames or interruptions in the lines of light.

### 02

#### Built for the Elements

Gasketed lens and IP65/66 ratings, offer complete protection against dust ingress and high-pressure water.

### 03

#### Distributions, Simplified

Lambertian, Batwing, Wall Wash, Wall Graze and Perimeter Room Fill distributions, with just a lens change.

### 04

#### Dynamic Performance

Powered by PruHues Tunable White for customizable lighting that adapts to any mood or environment.
